

**NITK Entry Level Faculty Recruitment
September, 2017**

FREQUENTLY ASKED QUESTIONS

1) Where is the data I filled in Jan – 2017?

The database has been cleared. Create a new account and apply afresh.

2) Final PDF generation is not successful. Why?

Possible reasons and solution: Do not use angular brackets in any of your fields (avoid '<' and '>'). Try downloading the PDF and view in alternate PDF viewers.

3) Information is truncated in the final pdf. Why?

The size of the input text boxes are fixed in the database. Eg: For "Name" field, the application form will accept 150 characters. In case of large data, a PDF can be created with the content and uploaded separately in "Upload Photo/Documents" section under "Upload any other relevant Documents to support your candidature".

4) Which posts can I fill data for?

You may fill data into 3 posts as advertised.

5) How to submit?

Hard copy has to be sent to the Institute as per the advertisement.
